

## THE GERM WARFARE

### REVELATION 6:7 - 8

7 And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.

8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

We see the Same One riding from the First Seal to the Fourth Seal. Each time a new colour is given to the horse.

We see a **Beast in the Bible represents a Power**, and this Beast has a rider and the rider is upon this horse and **the one who controls the horse whose name is Death.**

We see **Eternal Life is a person and not just a location and the only One that's Eternal is God.**

There is a Tree of Life and a Tree of Evil.

It's God and Satan. It's Life and Death, so there is Death and there is Hell. When we have the Eagle Anointing upon us, we will see Death.

We will see Hell, because The Eagle is revealing this to His Elect.

You must see and know your enemy to be an OVERCOMER.

### Quote 1A

*Many times you can see a person maybe of insanity. Now, they may be yet a converted person, **filled with the Holy Spirit, and yet be totally insane.** See? That's right; that has nothing to do with the soul. It's a tormentor (See?), something that torment*

It is something that can take peace from the earth.

People are being killed every day, killed with sword and hunger, **famine and economic crisis.**

It starts crime, people can't get work, people steal, kill, woman go into prostitution, **morals are broken, homes fall apart.**

And with The Beast of the earth, viruses, most of the time **are resident in animals, the mosquito – it brings typhoid, malaria,** that small mosquito is flying with death. It may take the blood of some animal that has a virus and pulls the blood from him so that the virus of the animal is **in the blood of the mosquito.**

That mosquito comes and bites you, then you become the **host of that virus** that was in the animal, **because it moved from animal to man.**

We know that Death was in a beast before it came into Human Beings.

**Dogs bringing Rabies** and all different kinds of sickness.

**The rat is one of the biggest carriers of all kinds of viruses.**

**Then in the home, cockroaches** come up all the time, they form a breeding ground in your home.

So we see the sword, hunger, death and the beast of the earth.

People are dying by **earthquakes, tidal waves, heat strokes, car accidents and by cigarette's smoke.**

Remember this whole generation will get cremated.  
We are living in Satan's Eden.

There are demons that rule nations.

Satan offered Jesus the Kingdoms of this world, it belongs to him, he fell heir to it. He is squatting on our Inheritance and building his civilization of science and technology.

The God of this evil age has blinded the minds of the people, he works in lies, in errors, breaks the influence of truth, until truth looks foolish.

Noah building an Ark was “foolish”.

Moses coming to Pharaoh with a stick was “foolish”, but he did not know that just a few months down the line, he would be begging Moses to leave as his kingdom is going to be destroyed

The wisdom of man is foolishness and the weakness of God is greater than all that man can do.

**Jesus said, “I cast out devils with My Finger”**

When the Word of God is opened we realize that there is nothing new under the sun, whether it takes place in a man, a city or nation, the world, it’s all written in The Word of God -**The Bible is the plan of God for man.**

We see God in His infinite wisdom loves to work in little things and it baffles the mind of the human.

How they looked for Him in big things, yet **He came in a stable to shepherds**, God in simplicity.

He is known by **His Works, His Nature, His Characteristics.**

To understand God you have to be simple yet wise –  
God will not lead you into trouble without preparing you.

There has to be **an immune church in the hour of death.**  
The last plague will destroy all those that are not immune and sealed.

**We have seen our last Sign –**

When God in His Prophet turned His Back, and said, “This is your last Sign”

**This was Elohim in human flesh.**

God can stop a war – He is Infinite, All Powerful.

That’s why Believers are close observers of their lives, when you are going through something, you see God setting up roadblocks you can’t go through with your plans.

**Then God forces you to change your plans.**

You become sensitive, you want to please God, you go to the House of The Lord, saying, “Lord say something to me “– **God will let the Minister move away from his notes to speak to you.**

The 144,000 are a Covenant People.

The Gentile Bride is a special class of people – **One is Naomi – One is Ruth.**

We see how **pestilence and viruses in the air are destroying human bodies.**

We also know that the human body is a type of the Body of Christ, the Church is His Body.

And there are **Spirits trying to invade the Body** - to make the body sick and weak and break down the bodies defence.

Nobody is walking around with placards “I’ve got Aids” – “I carry a deadly disease.” “I have a virus that I can transfer to you, when you come close to me, you can be infected.”

Nobody walks with placards: “I am a deceiver” I am a troublemaker” – “I am a gossiper” “I bring discord – “I will make you sick.”

You have to discern who you become close to, somebody might compliment you over and over, invite you for meals...

Treat you like you’ve never been treated – to get close to you, then poison you with a virus of fault finding and disrespect.

The difference between life and death is a **functioning immune system.**

God has promised an inoculation to a special people to **be sin-free**

The Prophet said, “The number one disease is not heart, or cancer, **but it is a sin disease**

In the first Exodus under Moses there was a healing ministry-  
Moses raised a brass serpent on a pole

**Moses understood the mystery of atonement.**

**He got water and healing for a perishing people, he had a slain lamb to keep judgement out.**

They had an immunity and yet there were people in Moses’ church that died, they did not make it on the journey.

There was nothing wrong with Moses and his message  
**They picked up viruses.**

Foreign spirits came into them  
They refused to walk in the Revealed Word.

**The plagues are already here in the earth.**  
We see how Rome is moving swiftly –

## Who killed Jesus Christ? The Romans

They are still here, it has changed from **Pagan Rome to Papal Rome** – generations may pass but the spirits are still the same.

When those diseases begin to break forth, it will fall on every one **without the baptism of The Holy Spirit.**

### QUOTE 2

*What is a cancer? **What is a tu--what is a disease?** We'll deal on that for the next five minutes now. What is a cancer? What caused that thing?*

*Let's take a cancer, or anything you wish to take: tubercular, pneumonia, whatever you wish to, any disease. **Diseases are germs.***

*Let me pass something, here quickly, as our time's a going. Listen, did you know the Bible predicts that in the last days, **that they'll be a germ warfare?***

***That diseases will break out upon the people, and will fall on everyone without the baptism of the Holy Spirit?***

*But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was*

When your immunity is gone **even a normal common flu can kill you**, there is nothing to fight off the disease.

Today we have **Aids, Cancer, Ebola, Sars Corona all deadly diseases killing millions, pestilence, they move quickly.**

**There are viruses that disguise themselves.** You can't detect it, it hides itself for a while, then it injects a cell and it starts to grow reproducing fast.

Luther's **justification could not stamp out Catholicism**, he thought he broke the virus – it was only a wound – that could be healed.

Now after so many years **that virus has come back with all the killer potential** it had in the beginning.

**A Spirit, a Virus can go into remission** and you think it's gone, but when it returns it comes with **power to kill.**

The World Health Organization had to research their files and re-evaluate the condition of health.

Seeing **new viruses emerging which looked like some old strains, but deadlier.**

God in this time opened up the **entire Plan, His Being, His Motive, His Objective, Our Origin, to give us a real inoculation, an Immunity, a repellent.**

God took a man in our day up a mountain, overshadowed him with a cloud, put a sword in his hand.

As medical Science was advancing with technology, picking up all sorts of bacteria and viruses, God was on earth through His Prophet, picking up the hearts, the intent of people's thoughts and viruses – **with an X-ray tester scan.**

**The first Eve picked up a virus, she gave it to Adam.**

**The entire human race became infected, they were trapped in the world of time –**

Then the second Eve, the early church came, she was **poisoned by the deeds of the Nicolaitans.**

It disguised itself like it was part of the body – but it was foreign – **it invaded the entire body – the church became deceived.**

**The cells that's supposed to defend the body, it turns against the body**

Today scientists are breeding viruses to spread it in the human race to stop a **population explosion**.

**A virus cannot do anything unless it comes in a live cell and in there it's reproducing.**

We see how Moses spotted a **virus in Korah**, **Elijah saw it in Jezebel**, **John the Baptist spotted it in Phillip and Herodias**. Paul spotted the Jews saying, "There is no resurrection"

We saw how Peter was infected trying to take the church back into law.

**Immune means protected from getting a particular disease.** The same way it's in the natural so it is in the Spiritual.

It can come in the body **by air – water – food – by insects**

Paul said they can come in and a **root of bitterness – poison will set in.nb**

Bro. B, said "I would like to walk in a church, **that sin can't stand among them,**

Satan has a plan to disarm us, bring in different viruses, but God promised there is going to be a Church without spot without virus – without sickness

What is happening in natural bodies – The strain of sickness, **the same strain Satan is using to make the Body non-functioning.**

When God made Adam, he was immune, disease could not touch him, he was protected behind The Word.

The Serpent – the subtil beast was around. He wanted to inject the human race, so he could live in man.

**Your body builds up an immunity against a virus** – a time after time, there is a repeat – it goes into remission.

**Measles, chicken pox, you have it once, do you know why it becomes easily recognizable?**

**It reveals itself through your body.**

The Prophet had to trace and find the source of sin. **The source of the infection.**

**He had to go to the Serpent Seed.**

When the Messenger found **the source of the infection, he broke the chain of transmission.**

He had to separate the Bride from the church organization.  
He said **“Flee organization – It’s death” – “Come out of Rome, it carries a DEADLY VIRUS”**

It’s three unclean Spirits. It’s **Nicolaitanism, Balaamism and Jezebelism**

**It’s the depth of Satan –  
The church denomination is an instrument of Satan.**

**Mal. 4 God’s virologist picks up the virus – in Genesis and saw it coming through Seven Church Ages –**

That’s why we must separate from the world. **It carries a deadly poison –**

When a child is born the mother must get the child to the clinic to get certain injections – because it is born into a world of sin, **plagues, viruses–**

**“A MICROBIOLOGIST said “As soon as we are born and every day of our lives our bodies are like castles under siege, surrounded by swarming enemy troops.**

**All trying to breach the walls, enter and plunder the contents. Each enemy carries a weapon to assist him and each tries a different port of entry.**

**But just like fortified castles, we are built to withstand THE ATTACK””**

**Your body is under attack and the enemy comes through different entries – your eyes, your nose, through food, by your hands touching, by the air.**

**And every virus carries a weapon to assist to try different ports of entry.**

The God Who made us knew what Satan was going to use, because **all disease came from the fourth dimension.**

**It all starts with one cell – backsliding**

Here in our day, when Scientists did not have the equipment to see these diseases.

A Prophet was on the scene with a Ministry, a Gift from God to discern and **detect diseases.**

Just by holding their hand – and their **disease will reflect on his hand –**

Then he could discern and pick up where it started – How a virus gets into a cell and there build and form and reproduce itself again, and **the purpose is to destroy your body.**

We see the Age that we have come down to, we realize **the Promise of The Holy Spirit of a sinless nature, a sin-free Church** – without spot or wrinkle.

**Satan will be cast out of our minds** – he was cast out of Heaven and has come into human minds, **the great battleground, where the war wages.**

**Jesus knew the tactics of the enemy,** He knew how to fight him – how to resist him.

**Joseph had an antibody.** He said, “I will not sin against God and your husband, woman leave me alone.”

When she grabbed him, he even left his clothes while running away.

**Joseph never faced that virus in his father’s house.**

He was inoculated, that virus could not get him.

He was walking in the realm of Victory.

Look at Haman, that was an evil virus, that virus wasn’t going to kill one or two Jews, but an **entire Jewish Race a genocide.**

**Now this virus surfaced up in Haman – God told Saul “Kill all the Amalakites”**

Haman carried that virus of hate for the Jews – but there was a doctor – Mordecai – who **inoculated Esther and that inoculation stopped that virus from spreading.**

We see how that virus travelled through time, in different people – until **the greatest Virologist**, the world has ever known, who conquered Death, Hell, the grave, sickness and rose up after three days for our justification.

We see that the Philistine and **the Delilah virus that was developed to kill Samson** – they studied his behavior, where his inoculation came from.

**Today we have certain viruses that are prevalent in a certain race, a certain family**, a certain people, what is potent in one family, another family has an immunity.

It comes in Seasons, in **different climates, tropical, Mediterranean climates.** It might die in Winter and come in Summer – or before Winter sets in.

**You can have the Aids virus and live long**, but when a virus of flu comes into you, it can turn into a stronger strain – and then all the antibodies fighting the Aids have to fight that flu and then the Aids virus is neglected and **your body collapses and you die.**

**Some viruses are potent.** The enemy studies your environment, your make-up, that's why being on FaceBook and in Chat rooms, the Cyber world, where everything goes viral **IT CAN DESTROY YOUR PRAYER LIFE, YOUR LOVE FOR GOD AND HIS REVEALED WORD.**

**You meet a person that has a virus and become friends.** That virus, that friendship, that relationship, **that fellowship will destroy you.**

Bathsheba knew that at a certain time David takes a walk on his porch, that was a trap set for him.

When Nathan came to David, he picked up there was a **virus of sin and adultery.**

**That's why David experienced the original sin and said, "In sin I was conceived"**

Immunity is really to give protection, to make you resistant to a particular disease, especially **by vaccination, by inoculation.**

That's why by God's Grace this Message – The End-Time Message – **has an immunity against sin, against lust, pride, fear, money, women, popularity.**

**Immunize means to give somebody protection an exemption** from something that others are subjected to.

When you become a Teenager, growing to become a woman or a young man, **you go through biological changes in your body, where you need the Holy Spirit in your life more than ever, right now at this junction in your life.**

**There are fashions, high heel shoes, tight pants, hipsters.** This is the world, the cyber world, your world and being influenced by this atmosphere, **you need an inoculation.**

We must remember Satan cannot operate without a body – once he is in – he can reproduce more of the same kind – **Seven more devils will come and make their abode.**

When you want The Holy Ghost, what do you do? **Go around with Holy Ghost people** – when you want a demon, what do you do? **Go around demon-possessed people.**

**You must stay around positive Holy Spirit people** – because people carry spirits and spirits don't die.

People are not walking with placards and signs on them to say “I’m a deceiver, I am bi-sexual, I’m a gossip – a sower of discord among people”

**That’s why you need to be immune.**

**The early Church fell and lost her immunity**, it fell into organization, but God promised He will restore what Adam has lost.

You can be healed, you can **break the cycle of negativity**. If you have been infected by **wrong teaching, contaminated food, watching too many movies, surfing on the WEB** – eating from **Satan’s WEB** – **spreading germs** – **breaking down your Spiritual health** - What kind of Immunity do you have?

Are you prepared to have a complete detox and clean your Spirit from wrong friends and company –

**THE COMPANY YOU KEEP**

***It is Better to be Alone, than in The Wrong Company. Tell me who your friends are, and I will tell you who you are.***

The difference between life and death is a **functioning immune system.**

Deacons are Guards to protect and discern and protect. Look at those Hebrew boys, they said, **“We are not eating anything from this King’s table”**

**Today some people are so weak, just one sneeze, they catch a virus.**

This Message God told the Prophet “Store up the food” – **He saw all the healthy fresh vegetables.**

Eating this food, people will want to know why you are so spiritually healthy.

Paul was writing to the church in Corinth, It had all types of sickness, some saying **there is no resurrection, some were saying, “You could marry and remarry”** some were getting drunk at the **Communion table.**

It became leaven – he had to teach them about discernment – The Lord’s Body – about having wisdom – whereby they could handle knowledge

To the Galatians he said, “You have become foolish, you have fallen from grace, you took the people back to a former age of law, you have **another gospel, another spirit, another Jesus.**

To the Ephesian Church – He said “**Build up your immunity, put on the whole armour of God, know the wiles of the devil**” – he began to trace their DNA.

I am from the stock of Benjamin, you are genuine Israelites, don’t let anybody overpower you – stand fast, resist the Devil, he will flee from you.

**We have found the source of infection**, while there is a famine, sickness, The Angel said “Store up the food that will provide an immunity – a resistance –

The Aids virus is spreading in South Africa an epidemic that is out of control, a perverted gay community **being protected by a Sodom law.**

**A virus spreading like an unquenchable fire – the Islam, the Catholic virus, the church the tool of Satan killing and poisoning billions with a virus of false religion – of Nicolaitanes, Balaamism**

**and Jezebelism that has gone into the depths of Satan, SATAN  
PREACHING THROUGH THE INTERNET**

Think of it **68 million Christians died under the virus of  
Catholicism.**

**Those viruses have never died. It has gone into remission, but  
has come back.**

**Will come back as a powerful beast.**

The Revealed Word, The Baptism of The Holy Spirit is our  
Immunity.

How Satan has tried to weaken your love for God, weaken your  
prayer life, a virus eating on you, making you weak.

But there is a great Physician, **Jehovah Rapha, A Balm in Gilead.**

We know the difference between life and death is a **functioning  
immune system and yet we know the Chief Medical Officer  
today is THE LORD JESUS CHRIST.**

### QUOTE 3

#### COMMUNION 62-0204

*There was a certain minister said today; I heard him, he said that on a broadcast, he said, that when he come into the country, he had a **great sinus trouble**, and they were talking of an operation.*

*And they said that they was going to do this and that, and cut on him and operate, and take part of the sinus glands out, which would sink his face in, and so forth like that.*

*And he said he'd taken pills by the barrel. Look like there was so many pills that he had to take.*

*But when he come to a good Christian doctor, the doctor said, "Let's forget the pills and let's forget the operation, and **let's build up the body so it can resist the sinus.**" That's it.*

### QUOTE 4

*This is the darkest hour that this world has ever faced since the beginning of time. There has never been a time in all of the world's history that is dark as it is right now.*

***Cancer is on the rampage.** Just think that I heard a statement the other day of, like this, "That there'll be more people die in America this year from smoking cigarettes cause cancer, that*

*will die this year in America, then there was killed in the four years of the Korean war."*

*Cancer's on the rampage. Diseases are happening, and everything's taking place. Well, we don't know what to expect.*

*The doctors don't know what to call the diseases, so they're saying they're viruses.*

### QUOTE 5

THENJESUSCAME 57-0407E

What is a **virus**? Ask the doctor. It's something that he don't know nothing about. He just says it's a **virus**.

That's all there is. There's little old bugs **and demons a flying that man never heard of before.** Everything's on the move.

Everything, we're trying to curb it with natural things. But when we try to do this, it breaks out something else. That's right.

You give a man penicillin for this; it'll set up something else. You give this... It's... You're just all out of the way. God has a way, and we might as well get into it.

### QUOTE 6

EXPERIENCES 52-0726

*And let you know this. That when them strange diseases goes out of the people, **remember, you're not immune from them.***

***And they're perfectly helpless until they're embodied. And be it assured to you that I'm not responsible.***

***If you do not bow your head when I ask you, and will not obey, I would not even stay in the meeting, for it's a dangerous thing.***

***For let me tell you: There's people in the institutions today, that set in the meeting as normal people, and went out in that condition because of disobedience. There's many that's in the grave.***

### **QUOTE 7**

#### **HECARESDOYOU CARE? 63-0721**

***What makes disease come to the human body? Is the body... As I'm told by a precious doctor friend of mine, that I wouldn't want to call his name right now, but he's a very fine brother, reading to me recently out of a medical journal, a book in his office where he keeps all these fine books and the latest stuff on medicine.***

***It is weakness. You notice anybody that's real... You say your body's run down, you take a cold right quick. What is it? It's the weakness of your body that produces a mucus out of your glands.***

***And in that the cold germ beds itself and you got a cold. But if that body was strong, it would throw away that cold germ; it couldn't touch it.***

***So, you see, when God constructed a man in the first place, he was **immune from any disease**. See? But unbelief and science... Science and education was the first thing that took a man away from God, and it's still taking him.***

***The End.***
