## **I KINGS 18:1 - 4**

1 And it came to pass after many days, that the word of the LORD came to Elijah in the third year, saying, Go, shew thyself unto Ahab; and I will send rain upon the earth.

2 And Elijah went to shew himself unto Ahab. And there was a sore famine in Samaria.

3 And Ahab called Obadiah, which was the governor of his house. (Now Obadiah feared the LORD greatly:

4 For it was so, when Jezebel cut off the prophets of the LORD, that Obadiah took an hundred prophets, and hid them by fifty in a cave, and fed them with bread and water.)

*1. 'There will be no rain or no dew until I call for it.'" Why did he say that, "Till I call for it. According to my word"? Because he had the Word of the Lord. He was a prophet, and **the prophet has the Word of the Lord.***

*2. It's a striking thing to see the parallel between Israel of the Old Testament and America now. **Both of them were great nations.** Both of them had been founded, and their people had come there because of religious persecutions.*

*Israel had been persecuted by Pharaoh and had been in bondage for hundreds of years, where they were deprived of worshipping the true and living God, and had been deprived of that privilege; and they become slaves.*

*But God had made them a promise in His Bible, or in His Word, and by His prophets, that He'd give them a land.*

*And they'd come into this land and drove back the occupants of that land, and had possessed their inheritance, for **God had a purpose of doing that.***

**3.** *And so is this great nation of ours. We come here, and on Plymouth Rock this nation was founded on **freedom of religion** because our forefathers had fled Roman persecution of the modern Jezebel system, and had come up, and stood many great persecutions and martyrdom under that **false system of Jezebel.***

*And according to the Bible, of Revelations the 13th chapter, God had promised them an oasis and a place, for the woman was carried into the wilderness where she was fed for a time, time, and a dividing of time. God had made the promise to America,*

**4.** *All the other beasts, they come up out of the water, thickness and multitudes of people.*

*But when the United States come up, "It come up out of the earth where there was no people." And remember, when it come up, it **looked like a little lamb.***

**5.** *Now, a lamb has two horns, and that's **civil and ecclesiastical powers.** But when they've united, remember, then that lamb spoke like the dragon did before him; and the dragon was Rome.*

**6.** *And then we find that this country came up as a free country, and was--had a lamb, which means the Lamb of God.*

*But after while, this same system that we have, spoke like the dragon and exercised all the power the dragon had before him.*

**7.** *They parallel, one to the other, perfectly. And remember when these... Israel came up and took her homeland in Palestine, drove back all the occupants of that land and possessed the land.*

*We came in and took it from the Indians, drove them back and possessed the land.*

*God had a reason for that. God was going to show the world what He could do with a--a little band of **people that wanted freedom**, and freedom of religion to serve God.*

**8.** *What did they do for Israel? He made Israel the most mightiest nation in the world, and she stayed that way until she got out of the will of God.*

*What did He do with America? He made her the **mightiest nation in the world** until she's getting out of the will of God: parallel, one to the other exactly.*

**9.** *When Israel came over in the land, they were a--a great people because they had great leadership.*

*They had God-fearing men over them, such as David, King Solomon.*

*All the world feared them, and they enjoyed that privilege of no wars, no troubles, and living under the power of God, until people from all over the known world come to see them.*

*God gave them a gift of discernment; it was upon Solomon.*

**10.** *And America, upon the basis of our forefathers who came here for religious freedom... We had godly men in them days as leaders: George Washington, Abraham Lincoln, **men of renowned character, men of God.** America was America in those days.*

**11.** *What happened to Israel after all this godly background?*

*They begin to get carefree. They begin to get to a place where they, well, they didn't care what went on.*

*They begin to go get slack in their worship to God, although they held a form of religion just like we have.*

*They had a form of godliness. But they begin to get free with their people, and--and they begin to bring in different heresies in their church.*

*The worship of Balaam begin to creep in, and Israel become pleasure mad, drunk, and such things as that, and finally **brought in a leader who didn't know God:** Ahab, who succeeded his father.*

*And his father was a ungodly man, rich man, but an ungodly man.*

*And he done all the sins, more than anyone before him ever done.*

*But Israel in their drunken stupor, they put a man in like that, and put him on the throne to be a ruler over them.*

**12.** *A lot of Americans, too many of them has sold out their birthrights as an American, and say, "What difference does it make, as long as you can get a few extra dollars from the government and live?"*

**13.** *They forgot our heritage and went and sold out to the pleasure-mad crowds.*

*As it was in the days of Israel, so has it been; **America's took that same road**, right down the same path: pleasure.*

**14.** *Ministers graduating from the seminary, the bishop saying, "Preach, boys, whatever you wish to.*

*As far as I am concerned, the blood of Jesus Christ dried up nineteen hundred years ago."*

*Until the church got to nothing but a organization like a lodge... May you never forget this afternoon.*

*Become like a lodge, world begin to creep in; ministers begin to compromise just like they did in the days of Ahab.*

*Sinful, **rotten to the core**, and on and on it went just as hard as it could go.*

**15.** *He begged to the people, and they turned their back on It. They wanted their way; they were Israelites; they were free; they were a **great nation**; their forefathers did so-and-so (David and Solomon), they could do what they wanted to. Just the same thing that we've based ourself on exactly; what Washington, our forefathers,*

**16.** *What's God done in America? Sent revival after revival, revival after revival.*

*Ministers has preached the Word, tried to call people back to God. And what did they do?*

*The same thing Israel done: spurned it, made fun of them, called them holy-rollers, throwed them in jail.*

**17.** *Finally, the great hour come: Ahab was elected, and when he did he **married Jezebel**, that rotten old woman who led all of Israel to idolatry. And as Israel did then, why, did...*

*They must have been in a backslidden condition to ever let a thing like that happen in their nation.*

*The laws are made by the people for the people, and we've done the same thing.*

**18.** *There was a time when America wouldn't have... They knowed better than to elect the old prostitute, old harlot that drunk the blood of the martyrs, killed them...*

*And the reason **they fled here for freedom**, they wouldn't have put up with nothing like that. It shows we're in a backslidden condition,*

*Russia's considered communist because they got a communistic leader.*

*Red China's considered communist because they got a communistic leader.*

*We're considered Catholic because that we have a Catholic leader.*

**19. Jezebel was the head behind that throne.** She was the one that done the leading.

*Look how she took the very laws of the land and twisted them around, and for her own gain and for greed, and made Ahab do it because she was married to him.*

*And that's the way with our leader today.*

*I don't say he isn't a nice man, but look what's behind him: the harlot, the very thing that we run here, to be America for; the very principles that America's built upon...*

*We, by our own free choosing, elected a thing like that.*

**20.** Now, you see **why my voice is going to be stopped pretty soon,** somebody's going to know. Yes. Why?

*Revelation 2:20, she called herself a prophetess. You just watch the wave of sin happen now.*

*You watch core--go plumb to the core. You watch modernistic; watch ungodly things happen in the churches.*

*"And, finally, there'll come a persecution," the Bible says so, THUS SAITH THE LORD. Certainly there will be.*

**21.** She was the power behind it; **she was the one who controlled it.**

*Read the... I believe it's the 7, and about the 17th or 18th chapter along in there; you'll find what Jezebel did: how she took Ahab, and he couldn't say nothing about it because it was his wife.*

*Look what the nation was built upon then, a backslidden Israelite with a pagan wife behind him, who was a worshipper of Baalim. And what did she do?*

*She finally made everything so modernistic, and so nice, and the people had it so easy, until the whole church fell for it, preachers and all.*

*Didn't Elijah say, "Lord, I'm the only one's left"? And as it was then, it **parallels today.***

**22.** *Remember, Jezebel, she calls herself a prophetess to subdue the people, and she says that **she is the only voice of God on the earth.** She'll make the carnal mind believe that as sure as the world.*

*...they're permitting women to vote. And when they do that, they done one of the greatest disgraces this nation ever done." And I said, "Someday they'll pay for it." And they did at this last election. That's what elected him: women.*

**23.** *And you **precious colored people** in the south, how you voted. You say, "You have no business saying that in the pulpit." Oh, yes I have; it's the Word of God.*

*And the stain of--of Abraham Lincoln, the one that freed you, laying yonder in that museum on a woman's dress, and you sell your birthright. Shame on you.*

**24.** *And you people, for politics, because you're just a good Democrat, voted for something like that and sold your birthrights of Americanism*

*and Christianity to give it over to the prostitute that run us in this nation, what made us what we was.*

*See how she's been creeping in real easy, until now **she's on the throne** (Sure.), the White House throne.*

**25.** *Now, just a minute, and watch just how this comes out. Now, we find out what they did and the things they did; we see it parallel in here just exactly, sin on every hand. Jezebel come in; she bewitched all the people.*

*And notice, finally she begin to build big shrines to Baalim. Is that right? And the **Baalim priests flocked from everywhere to get into that place**, and begin to contaminate the land with Baalim worship.*

**26.** *Look how they done; look how they've weeded in. Just the things they done, look where they're at today.*

*Look at Catholicism swallowing up, swallowing up, swallowing up; marrying into it, breaking this, just exactly what Daniel said they'd do: iron and clay wouldn't mix, but mingling their seeds one with another, breaking.*

*Every Protestant girl marries a Catholic boy has to raise the children Catholic. All like that, marrying, intermingling, like that until it's come to a place till the whole **United States is all wormed over.***

**27.** *we've sold out our **Christian rights to politics**, and that's how the devil weaved hisself in.*

*Ahab was nothing but a figurehead for Jezebel. That's all this will be, just a figurehead.*

*He won't do it himself, but that system behind him will drive him to it. That's exactly right. Pinch your conscience, you Christians. **Wake yourself up**; it's later than you think.*

**28.** *How the great loving heart of God must have cried out, weeping, as He seen His missionary people.*

*Made them an example to all the nations coming everywhere, because God had blessed them, seeing them in unity, spiritually, serving God.*

*And then to think that He--He longed to see them come back to their first love and do what was right, but continually they went away, and away, and away, till finally Jezebel come in. That's exactly what we done: drifted from the **principles of Christ**.*

**29.** *See, that's what man-made systems bring you into. Hallelujah. That's true. That's the reason I'm against it, because God's Word is against it.*

**Man-made system**, *God's against it; His Word's against it; His prophets will be against it; His true servants will be against it; all that's borned of the Spirit of God will be against it.*

**30.** *Look how Israel got, how they floated with the tide till finally Jezebel come. Look how America got, and floated with the worldly tide, until finally Jezebel took the throne. That's right.*

*Now, Jezebel actually wasn't on the throne of Egypt--or throne of Israel, but she was the main head behind the throne.*

*And the Catholic hierarchy's not on the throne of the United States, but **she's the system behind it**, because he's married to her.*

*And the Bible said, in this country they'd make a image likened unto the beast.*

**31.** *You might hate me now, but one day you won't when you find out what's Truth.*

*You may disagree and get up and stomp out of the building; that just shows your illiteracy.*

*But someday you'll realize; someday you'll long and know that it's the Truth.*

*I speak it in the Name of the Lord, **put myself up for a target**, which finally **will drive me to the grave**. I'm going to be a witness till I die, if God will help me.*

**32.** *And Israel, how Ahab did, a **figurehead for Jezebel**, 'cause he was--he was married to her. America, our leader, how did a... You know our leader was a rich man? How many know that?*

**33.** *The same thing in that old Jezebel system, the same thing that persecuted our people, the same thing that drug them out, in Romanism, and burnt them, and pulled them apart, and done everything to them, the same blood of the martyrs, the Bible said, is in her.*

There they are married together. And we Americans stagger right on, "Oh, well, we got a few extra dollars and we're having a good time. **Better off than all the rest the nations."**

**34.** We're at the end. Nationally, we're at the end. Spiritually, **we are at the end.** Every system is at its end. The next thing is the coming of the Lord and the translation of the Church.

**35.** All this went on in Israel. Finally, one day, come stomping out of the wilderness, come an old hairy-looking fellow, Elijah the Tishbite. He never come up out of any of their organizations; he come out of the wilderness.

**36. They hated him.** But his Word went forth just the same, because he had **THUS SAITH THE LORD.**

**37.** They won't cooperate with him, no, no. He'll come. God promised it, and he'll rise on the scene.

He'll--he'll preach to **the elected Church** as it said he would, shaking that Elect, shaking the carnish off of it, the--the world and things, shaking it down, boiling it down, getting the Church together, a people.

**38.** John came as a **one-man system** to introduce a one Man Jesus Christ. And the Elijah will not be a system; it'll be a man, Jesus said so. He'll be one man that's anointed of the Holy Ghost.

**39.** *You remember, brothers, if I say these things to be nasty, I need to be at the altar. I'm telling you, "It's THUS SAITH THE LORD."*

*If God hasn't vindicated I've told you the truth, around the nation, around the world, then tell me where the mistake was. I'm telling you the truth.*

*Get back to God, quickly. Get out of these systems, 'cause the Bible says in the Book of Revelations, that the **Roman Catholic hierarchy was a whore**, and she was a mother of harlots. What is that? Churches, systems.*

**40.** *But his final message was attacked on the White House. When John came, his final message was attacked on the White House of that day.*

*Elijah's final message, when he walked down that road that morning after being in the Presence of God out there, walked down that road with old hairs all over him,*

*his bald head shining, the whiskers blowing, them little old eyes was gleaming with the glory of God, that stick in his hand, and his feet just as steady as they could be: what's he doing?*

*Walking right down from Samaria into the presence of the White House, and saying, "THUS SAITH THE LORD."*

*Fearing nothing... The churches had turned him down; the people had turned him down; so now he's giving his **final attack upon the White House**.*

**41.** *Then what happened after that? Listen. After that attack, his voice became quiet, nobody heard him no more.*

God called him off the scene, said, "Elijah, you've done made your message known to all of Israel; they know It.

Now, come up here in the wilderness; get away from them; separate yourself, 'cause I'm going to do something.

I'm going to show them what it is to turn My message down." What set in? **War, famine, starvation.**

THUS SAITH THE HOLY SPIRIT; watch what's coming. Watch what's going to follow.

There was a famine; there will be a famine, oh, maybe not for bread, but for hearing the Word of God and His Truth.

All the churches will socialize and go right on into it just the same, just like they've already been swallowed up with it.

**42.** God as he set up there under the power of God. The revelations being a **little hidden spring**, while the rest of them was famishing. And God bless His servants, them ravens;

**43.** When God sends forth a message and tells the people, and they don't receive it, then He withdraws His servant and sends **His plagues: famine, death, spiritually speaking, physically** also. You watch for **a depression,**

**44.** Bless them birds, His servants, that kept the voice of--of Elijah alive during the time of his--**his isolation from the church.**

**45.** Jezebel took everything; she wiped it all up; and she'll do it again. That's *THUS SAITH GOD'S HOLY BIBLE*.

*She'll do it again. She's right on the throne now, behind the figurehead, twisting it anyway she wants to; and nobody's going to stop her.*

*Certainly, nobody's going to stop her now, because what they couldn't get in the religious circles they cut it--cut it all into politics, and there they done it.*

*Uh-huh, that's exactly what they done. **Which the political will be a boycott** just exactly back to the mark of the beast, as sure as I'm standing here.*

**46.** *He sent him to a widow woman. She once had a--a man power over her head, but it took death to set her free so she could believe the prophet's Word.*

**47.** *you think you're having a hard time. But remember, God's got His eye on you. You love Him.*

*I know you love Him, you wouldn't set here; you wouldn't attend any such a thing. **God's got His eye on you.***

**48.** *And if you're willing to give what Spirit you do have, what Spirit that God's give you to support of the Word, then **God will keep you alive.***

**49.** *The world was languishing and dying in hunger, her and her children and her household all eat **three good meals a day:** Divine revelation on the Word. I hope you see it, friend.*

**50.** *What went on? He stayed there until the famine was over, living with this woman, this Church, that received him and believed his Word. **And he kept her alive**, kept the Church alive by the Word of the Lord, because he said, "THUS SAITH THE LORD."*
