

# *The Viruses That Kill Marriages*

- Not being sensitive to the spiritual, emotional and physical needs of your spouse
- Exposing the weakness of your spouse to your parents, siblings or friends
- Not understanding your role and position in marriage as instituted by God
- When anything threatens the position or security of the wife her reactions will be detrimental to the marriage · Relating more with your parents than with your spouse
- Any form of infidelity Lack of Trust · Arguments · Spurning corrections and reprimand
- Lack of mutual respect · Lack of knowledge of the Word of God · Any form of infidelity
- Poor Communication · Lies - Always be sincere to your spouse · Too much/careless talk
- Spending too little time with your spouse · Being too independent-minded · Nagging
- The love for money · Wasteful Spending · Caring for your own needs · Unforgiveness
- Not being steadfast · Dominating and Suspicion · Keeping Secrets from your spouse
- Uncontrolled temperament · Always wearing a sad face and being moody · Laziness
