African Missions

African Missions is a missionary project of Bible Tabernacle led by Pastor Harold Beckett. This missionary project has been running for several years from Cape Town, South Africa.

To-date by the Grace of God, a number of countries have benefited through many of the initiatives under this project. More than 110 tents have been distributed in Africa for use as temporary structures by believers who do not have church buildings. We are solely operating as a sovereign group with a passion for others, without soliciting for funds but believing in **Jehovha Jireh**

Our Outposts

Presently, African Missions has

representatives in 6 countries, namely South Africa, Zambia, Malawi Zimbabwe, Uganda and Kenya. These representatives help in identifying and supplying the needs for the believers in their country and neighbouring countries.

Future Plans

In addition to assisting needy believers, we plan to distribute Spoken Word books. We have started printing the books from a selection of the 1965 sermons by the Messenger to this Church age, William Branham. The books are paragraph referenced to make it easy for someone to pick up the theme of the book. You can check them out on our website under Message books.

A Word of Appreciation

We would like to extend a special thanks to all of our friends and saints that have prayed for us.

We want to acknowledge those who have worked in Africa before us and those still working in Africa and around the world.

May God give you wisdom, skill and understanding and May He reward you for your efforts.

We have learnt that if we honour the past we will be blessed in the future.

Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. Matthew 25:40

We managed to paragraph reference these 1965 spoken word books and are now available for downloading from www.bibletabernacle.co.za. Printed versions will be available soon.
